About Us

Comber Commercial Centre was founded in 1977 by Mr. Raymond Stanex Snr and recently in June 2017 celebrated 40 years trading in commercial vehicle sales and rentals within Ireland and further afield to the UK mainland and mainland Europe. Raymond Snr sadly passed away in October 2017. However, in honour of the legacy that he created, his two sons Raymond Jnr and Robin now manage the family business. Comber Commercial Centre has grown from humble beginnings to be recognised as the market leaders in supplying high-quality products and service to the commercial vehicle industry from both a sales and rental perspective. All at CCC consider it their aim to continue the legacy created by Raymond Snr with attention to detail being high on the agenda regarding all sales and services. Recently, a car sales division was added to the business and is managed by Robin Stanex. Having worked alongside their father for 30 and 26 years respectively, Raymond and Robin are hugely experienced and respected within the industry and are proud to be part of a continually growing business which still constantly maintains a high level of service with that all-important personal touch.
